FLA Comments

The PVH Corporation ended their affiliation with the Fair Labor Association in February 2020. Therefore, there will be no further updates to the Company Action Plans plans contained in this report.

Due to this disaffiliation PVH Corporation is no longer listed on the Fair Labor Association Website, however, their Independent External Assessment reports can still be found at: <https://www.fairlabor.org/transparency/workplace-monitoring-reports>.

Summary of Code Violations

Companies that join the FLA agree to uphold the FLA Workplace Code of Conduct throughout their entire supply chain. The Code of Conduct is based on International Labour Organization (ILO) standards, and defines labor standards that aim to achieve decent and humane working conditions.

While it is important to note when violations of the FLA Workplace Code of Conduct occur, the purpose of these assessments is not simply to test compliance against a particular benchmark, but rather to develop an understanding of where and how improvements can be made to achieve sustainable compliance. Code of Conduct violations can be found throughout the course of an assessment of the employment and management functions, and are addressed in companies' action plans.
